

The breeder guarantees that your new puppy is healthy at the time that it leaves the kennel, if your puppy falls ill within 48 hours and a veterinary exam determines that the puppy left the breeder with an ailment, the breeder will take the pup back and refund buyer minus the non-refundable deposit. If you choose to wait for a future litter your deposit may be applied to a different puppy.

Once the puppy leaves the breeder, it becomes your responsibility to continue with all recommend vaccinations and care to be determined by your veterinarian.

These are not shelter/ pound dogs. By signing below, you agree that if there ever comes a time with you cannot care for your animal, he/she will be returned to us without refund. If you can find a suitable home, you will allow us to vet said home and approve any new placement of our dogs.
